EDUCATION

University College London (UCL), London, United Kingdom

Oct 2026 – Present

PhD in Computer Science

Research focus: Foundation Models for Time Series

Supervisor: Prof. Vasileios Lamos

Aristotle University of Thessaloniki, Thessaloniki, Greece

September 2019 — November 2024

Integrated MSc in Electrical and Computer Engineering

GPA: 9.42/10.00, Class Rank: 2nd

Thesis title: "*Detection of Image Manipulations Created Using Convolutional Neural Networks and Diffusion Models*"

Supervised by Prof. Panagiotis Petrantonakis

RESEARCH EXPERIENCE

University College London (UCL), London, United Kingdom

Oct 2026 – Present

PhD Researcher, Department of Computer Science

- Research on foundation models for time series

Centre for Research and Technology Hellas, Thessaloniki, Greece

Jan 2025 – Feb 2026

Research Assistant, supervised by Dr. Symeon Papadopoulos and Dr. Ioannis Kompatsiaris

- Researched representation learning architectures for vision and vision-language models, developing robust representations for generative image assessment and multimedia forensics.
- Designed novel methods and benchmarks for digital forgery detection and localization, including deepfake and diffusion-based image manipulation detection.
- Evaluated multimodal and generative models, including their robustness, reliability, and harmful content generation capabilities, within the AI4TRUST project.

ACADEMIC SERVICE

Journal Reviewer, IEEE Transactions on Multimedia

Reviewed manuscripts on topics related to multimedia processing, deep learning, and computer vision.

AWARDS

UCL Computer Science Studentship

Oct 2026 – Present

Studentship and postgraduate funding from the Department of Computer Science, University College London.

Academic Excellence Award, Greek Ministry of Education

2016 – 2019

Awarded for academic excellence in all years of secondary education.

SKILLS

- **Programming:** Python, MATLAB, Java
- **Software:** PyTorch, OpenCV, Linux (Ubuntu)
- **Languages:** Greek (native), English (fluent-Certificate of Proficiency in English), German (advanced intermediate level)
